### HOW TO MEASURE:

**STEP ONE:** Lay your garment on a flat surface with the arms extended and smooth it out.

**STEP TWO:** To measure the Half Chest, place your measuring tape 2.5cm below where the arm is sewn to the body and measure from side seam to side seam.

**STEP THREE:** To measure the Body Length, place your measuring tape at the high point of the shoulder seam (near the neck) and measure down to the hem.

### Description

Design your own Polo Shirts! - Create your own clothing label!

Our custom printed Private Label Long Sleeve Polo Shirts are the perfect way to showcase your corporate brand, team image or promotional message at your next event, or as a uniform.

Manufactured in your choice of 11 different Air8 Performance fabrics, all Private Label polo shirts are moisture wicked to keep you dry. The fabric yarn is pre-treated with nanosilver before knitting to provide you with long lasting anti-bacterial, anti-fungal and anti-microbial protection keeping the garment odour free.

All Private Label garments are dye sub printed in CMYK on premium 6 head machines, inks and papers for optimal image results, vibrant colours and shading that is true to your unique design.

Choose from a host of additional options to create polo shirts that truly reflect your image. This includes (but is not limited to) sleeve styling (Inset, Raglan and (Pro-Raglan) and Placket options (3 button, 5 button and Zip)

Your order is produced in the size breakup that you require, across Ladies, Kids and Mens sizes.

*(Minimum Total Order Quantities do apply)*

All Private Label Polo Shirts include custom woven clothing labels and come individually bagged for cleanliness and presentation.
