

Recycled PET Core Polo Shirts - Long Sleeve (Dye Sub)

Product Images

Description

For brands who want to care for the environment, now and into the future,

Create custom long sleeve Polo Shirts made from recycled polyester , a performance fiber made from plastic bottles.

Our RPET Fine Pique fabric with Moisture Wicking technology has a soft handle and is a joy to wear.

Couple that with a Full Coverage, Vibrant Full Colour Dye Sublimation print, it's the perfect vehicle to represent your corporate image, brand or promotional message.

or....

Create your own fabric "design" or colour and then apply embroidery for your branding.

Choose from an assortment of Kids, Ladies & Mens sizes, in either Raglan or Set in Sleeve.

Every polo has a custom printed Neck Yoke and Neck tape as your own Private Clothing Label and/or additional messaging space.
